

PROGRAM TO PROGRAM ARTICULATION AGREEMENT

**Center for New Learning
University of Wisconsin Oshkosh**

**Bachelor of Liberal Studies Degree Program
Organizational Administration**

Lakeshore Technical College

Associate Degree in Supervisory Management

Introduction:

The Center for New Learning of the University of Wisconsin Oshkosh recognizes an educational partnership with Northeast Wisconsin Technical College (NWTC), Moraine Park Technical College (MPTC), Lakeshore Technical College (LTC), and, Fox Valley Technical College (FVTC), to provide a bachelor's degree completion program articulating transfer from the Associate degree in Supervisory Management to the Bachelor of Liberal Studies degree with an emphasis in Organizational Administration (BLS-OA).

Rationale:

The Associate degree in Supervisory Management at the partnering WTCS campuses prepares students for admission to the bachelor's degree in Organizational Administration at UW Oshkosh. Graduates of the Supervisory Management Associate degree program at NWTC, MPTC, LTC, and FVTC will find the cross-disciplinary curriculum of the Organizational Administration degree program, with its concentration of course work in communication, economics, industrial and organizational psychology and organizational administration, a logical extension of their previous studies.

Conditions:

- The terms of transfer of this program-to-program articulation agreement apply only for the purposes of entry to the **BLS-OA degree program** at UW Oshkosh. WTCS students seeking admission to other degree programs on the UW Oshkosh campus may transfer to the University only those credits recognized under the current UW System – WTCS Transfer Guidelines. WTCS students admitted to UW Oshkosh under the terms of this articulation agreement who subsequently elect to pursue a degree and major other than the BLS-OA degree program, will find the extended transfer of WTCS credit does not apply outside of the BLS-OA program.
- Students from partnering WTCS campuses must have completed the Associate degree in Supervisory Management (fulfilling all course work stipulated in the appended grid) with a graduating grade point average of a 2.0 or higher for consideration for transfer under the terms of this articulation document. The terms of the articulation agreement do **not** apply to WTCS students who have completed only a portion of the required course work for the Associate degree in Supervisory Management.

Transfer of Credit

- The Bachelor of Liberal Studies degree in Organizational Administration at UW Oshkosh accepts as block credit in transfer the Occupational courses (33 credits) and Support courses (9 credits) stipulated within the Associate of Supervisory Management offered by the four partnering WTCS campuses. These credits are to be received without designation of course-by-course equivalencies. Please see Appendices A and B.
- Additional course work completed in the area of general education will be accepted in transfer on a course-by-course equivalency basis as detailed in Appendices A and B of this document.
- This agreement abides by UW System policy to transfer a maximum of 72 credits earned at two-year institutions to University of Wisconsin baccalaureate degree programs.

Effective Date :

This agreement is effective with retroactive application as of May 1, 2002.
