

Conditions:

- The terms of transfer of this program-to-program articulation agreement apply only for the purposes of entry to the **BLS-OA degree program** at UW Oshkosh. Students from Milwaukee Area Technical College seeking admission to other degree programs offered at UW Oshkosh may transfer to the University only those credits recognized under the current UW System – WTCS Transfer Guidelines as documented on the Transfer Information System web site at: <http://www.uwsa.edu/tis/>. Milwaukee Area Technical College students admitted to UW Oshkosh under the terms of this articulation agreement who subsequently elect to pursue a degree and major other than the BLS-OA degree program will find the extended transfer of credit does not apply outside of the BLS-OA program.
- Students from Milwaukee Area Technical College must have completed the above-named Associate degree program (fulfilling all course work stipulated in the appropriate appended transfer grid) with a graduating grade point average of a 2.5 or higher for consideration for transfer under the terms of this articulation document. The terms of the articulation agreement do **not** apply to Milwaukee Area Technical College students who have completed only a portion of the required course work for any of the Associate degrees named above.

Transfer of Credit

- The Bachelor of Liberal Studies degree with an emphasis in Organizational Administration at UW Oshkosh accepts in transfer the Occupational courses and Support courses stipulated within the appended transfer credit grid for the Associate degree program named above. These credits are to be received as block credit without designation of course-by-course equivalencies.
- Additional course work completed in the area of general education will be accepted in transfer on a course-by-course equivalency basis as detailed in the appended transfer credit grid.
- This agreement abides by UW System policy to transfer a maximum of 72 credits earned at two-year institutions to University of Wisconsin baccalaureate degree programs.

Effective Date :

This agreement is effective with retroactive application as of July 1, 2007.
